14	a	a	Hard

Sentence Correction

How can I improve my score?

The graphs below show the concepts and problem types where you have the greatest opportunity to improve your score. Next to each graph bar is the approximate number of points that you could add to your score by mastering that concept.

Note: All numbers above are rough approximates based on your answers to this practice test and the likely content of future tests. Keep in mind that point totals cannot be logically added because of rounding error and because categories may contain significant overlap.

Potential Improvement (areas where you could improve your SAT score)

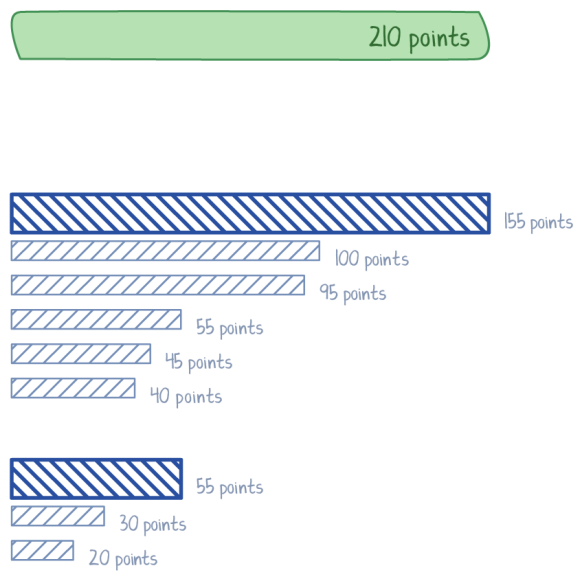

Critical Reading

CRITICAL READING

- Reading Passages
- Local Questions
- Single Long Passages
- Indirect Questions
- Global Questions
- Double Long Passages

Fill-In the Blanks (Sentence Completions)

- Single Blank Sentence Completions
- Double Blank Sentence Completions

Note: All numbers above are rough approximates based on your answers to this practice test and the likely content of future tests. Keep in mind that point totals cannot be logically added because of rounding error and because categories may contain significant overlap.

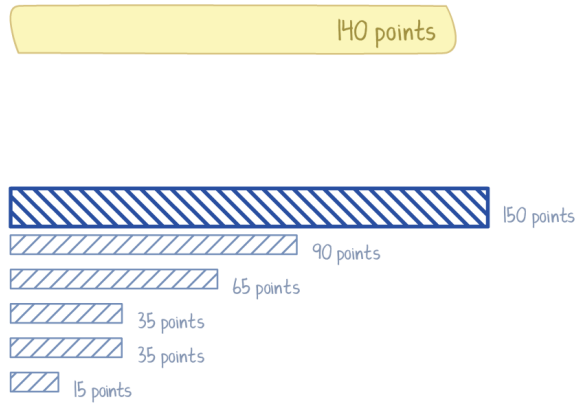

Potential Improvement

(areas where you could improve your SAT score)

Writing

WRITING

- Sentence Errors
- Sentence Correction Questions
- No Error
- Identify the Error Questions
- Parallelism Errors
- Infinitive / Gerund Errors

Note: All numbers above are rough approximates based on your answers to this practice test and the likely content of future tests. Keep in mind that point totals cannot be logically added because of rounding error and because categories may contain significant overlap.
